Why Joseph Gene?

A one-day symposium for business owners, professionals and entrepreneurs who want their work to carry the gene of Joseph: wisdom that reads the season, integrity that keeps the storehouse, and provision that reaches a nation.

01

Apostle Grace Lubega

Founder, Phaneroo Ministries International

Apostle Grace Lubega is the founder and leader of Phaneroo Ministries International, a Kampala-based ministry known for its weekly gatherings, broadcasts and daily devotional. He convenes and hosts the Business Symposium 2026. His teaching centres on the revelation of Christ and its application to every sphere of life, including business, leadership and stewardship.

02

Apostle Felix Okoh

Senior Pastor, House of Treasures Ministries, Johannesburg

Apostle Felix Okoh is the Senior Pastor of House of Treasures Ministries, Johannesburg, which grew from a small gathering in 2011 to over 2,500 members. A Mechanical Engineering graduate of the University of Nigeria, Nsukka, he began ministry at 26 under Bishops Mike and Peace Okonkwo at TREM. He is also President of House of Treasures I Care and CEO of Kango Properties, with over 10,000 properties sold, and hosts the TV programme *Making a Mark*.

03

Sylvia Mulinge

Chief Executive Officer, MTN Uganda

Sylvia Mulinge is the Chief Executive Officer of MTN Uganda and a seasoned business and corporate executive with a passion for transforming customers' lives using technology. Prior to joining MTN, she served as the Chief Consumer Business Officer at Safaricom PLC.

04 — GET INVOLVED

How to Participate

The symposium is built for conversation. Here is how to make your voice heard today.

01

Live Polls & Q&A

Scan the Mentimeter QR code projected on the screen to answer live polls and join the conversation. Results show live on the big screen.

02

Ask a Speaker

After each speaker's session, scan the QR code on the screen to submit your question for the Q&A.

03

Networking

Join the 10-minute guided networking break and meet the people around you. Every introduction could become a partnership.

04

Share Your Experience

Post your highlights and tag your photos with:
